

Dear Friends,

I would like to invite you to join New Hope and other members of our community Sunday, January 29th at 10: 00 am for a National Day of Remembrance.

Initiated by the Addiction Policy Forum Families Committee, the National Day of Remembrance is a time for communities to honor those lost to addiction, and offer support to their families. Each day 129 people die from a drug overdose, leaving behind devastated families. I would like our community to demonstrate strong support for these families by joining hands and honoring their loss. Please join us in special service that will be provided in the cafeteria for this National Day of Remembrance.

Program for Service

-Opening Worship

-Message on grief and loss

-Moment of silence for all who were lost from addiction

-Prayer vigil

-Closing
