Admissions Checklist

The following will help you prepare for the treatment admission process, insure that it goes smoothly and that you have what you need for a comfortable and safe treatment stay.

Required at admission:

✓ **PLEASE ASK YOUR DRIVER TO WAIT UNTIL YOUR ADMISSION IS COMPLETE:** While we have worked hard to insure that our screening makes your admission highly likely, there is always a possibility that you may not be admitted for medical or other reasons not revealed during our screening. Please let your driver know that we will work hard to make their wait comfortable and brief.

✓ **ADMISSION TO OUR SHORT TERM INTENSIVE INPATIENT UNIT:** If you are continuing to experience withdrawal or other physical symptoms we may refer you for more urgent medical care or alternatively admit you to our medical unit to insure for your safety and comfort as you go through the withdrawal process.

✓ **BRING INSURANCE DOCUMENTATION (MEDICAID, PRIVATE INSURANCE CARD, HMO, PPO, ETC):** Even if it is anticipated that the insurance will not be paying for your treatment, you might require other medical care that may be covered by your insurance.

✓ **YOU ARE REQUIRED TO PRESENT A PHOTO ID (DRIVERS LICENSE, COUNTY ID, PASSPORT)**if your treatment is being paid for by a private or public payer. If publically funded, you will also need proof of income (tax return/paystubs) and residency over the last 6 months. A social security card and birth certificate will be needed if there is a possibility that you will be referred to half-way house care after your inpatient treatment.

✓ **WE WILL NEED THE NAMES AND CONTACT INFORMATION FOR OTHER CARE PROVIDERS AND PEOPLE YOU WOULD LIKE US TO BE IN CONTACT WITH:** parent(s), family physician/pediatrician/psychiatrist, attorney and other legal contacts, etc.

✓ **IF A PHYSICIAN HAS PRESCRIBED MEDICATIONS FOR YOU,** it is important that you continue that care. In order to avoid unnecessary additional cost, please bring a 30-day supply of each prescribed medication in its original container describing the medication and the reason it was prescribed for you.

✓ **ADOLESCENT GUARDIANS ARE REQUIRED TO PROVIDE:**
  The child’s Social Security Number, copies of Immunization Records, and proof of school district enrolment. Adolescents not in the custody of their biological parents must have their legal guardian bring proof of guardianship.
