

SOMERSET COUNTY IDRC - AFFILIATED AGENCIES

You are selecting an agency at which an in-depth assessment will be conducted; the purpose of the assessment is to determine need for substance use treatment. If treatment is recommended, you must follow through with such. Each agency may have additional requirements. Drug/alcohol screening is required at the time of assessment, and at least once monthly during treatment. Failure to comply with any of the IDP/IDRC requirements will result in program non-compliance.

Any changes in agency must be approved by the IDRC; you must alert us before scheduling!
