SOMERSET COUNTY IDRC - AFFILIATED AGENCIES

Review the following list and select a treatment agency to schedule a substance use assessment. The purpose of the assessment is to determine need for substance use treatment. If treatment is recommended, you must follow through to satisfy IDRC requirements. Drug/alcohol screening is required at the time of assessment, and at least once monthly during treatment. Treatment agencies may also have additional program requirements. Please follow up with the treatment agency to confirm details. Failure to comply with any of the IDP/IDRC requirements will result in program non-compliance.

Any changes in selection of agency must be approved by the IDRC before scheduling.
